- **My Projects related to programming can be viewed through my GITHub link-https://github.com/dashboard**.

Below are my projects related to Finance

- **A STUDY ON INVESTOR BEHAVIOR TOWARDS MUTUAL FUNDS**
  I have published a research paper in Journal of Emerging Technologies and Innovation Research.As per finding maximum knowledge about mutual funds people get from the Internet .And we also concluded that there is a lack of knowledge among people about mutual funds . Which is 36%.As 54% people prefer bank deposits rather than investing that amount.

- **IMPACT OF COVID ON STOCK MARKET**
  From The Project data we came to know there was a huge amount of increase in people who were investing in the market at covid period . and as per your sample we concluded that the ratio between men and women investing was 8:2 .
